# FOOD Vendor Space Needs and Costs

**Please Note:** Food vendor areas will be sized to meet the needs of the individual vendors, rather than pre-set. Each will cost \$200 per day for Friday and Saturday.

- Each food vendor space rental includes 1 vendor parking space in the vendor parking area.

**Additional Vendor Parking Spaces** (for large or multiple vehicles) are available for \$10 per extra parking space.

**Overnight Parking:** Overnight parking in your vendor parking area, regardless of the number of extra spaces you may need, is available for a single \$25 fee.

**\*Please be sure to read the Vendor Rental Agreement for information related to vendor parking and overnight parking.**

If you request overnight parking, you pay the \$25 price only once.

***An example:***

- A food vendor who wishes to rent a single vendor area for both days, but needs 2 vendor parking spaces (1 additional space for a trailer), and needs to park overnight both nights (\$25 one-time fee) would pay \$200+\$200+\$25+\$10 or \$435 for their weekend rental.

Please indicate the number of areas you are renting.

- 1 - Food vendor rental for Friday *or* Saturday - \$200
- 1 - Food vendor rental for Friday *and* Saturday - \$400

Please choose any of the options you need below.

- 1 additional vendor parking space - \$10 per day
- 2 additional vendor parking spaces - \$20 per day
- 3 additional vendor parking spaces - \$30 per day
- Overnight parking pass for Friday and/or Saturday Night for your requested parking spaces - \$25  
This is a one-time fee for the weekend.
