Vendor Space Needs and Costs

Please Note: Rented vendor areas will generally be 10' x 10'. Each will cost \$25 per day for Friday and Saturday.

- Each vendor area rented includes 1 vendor parking space in the vendor parking area.

Additional Vendor Parking Spaces (for large or multiple vehicles) are available for \$10 per extra parking space.

Overnight Parking: Overnight parking in your vendor parking area, regardless of the number of extra spaces you may need, is available for a single \$25 fee.

All prices below are for both days or nights where applicable.

If you request overnight parking or additional parking spaces, you pay the price only once.

- A vendor who wishes to rent two vendor areas and needs two vendor parking spaces (both included) and overnight parking for both nights (\$25 one-time fee) would pay \$50 + \$50 + \$25 or \$125 for their weekend rental.
