FOOD Vendor Space Needs and Costs

Please Note: Food vendor areas will be sized to meet the needs of the individual vendors, rather than set. Each will cost \$200 per day for Friday and Saturday.

- Each food vendor space rental includes 1 vendor parking space in the vendor parking area.

Additional Vendor Parking Spaces (for large or multiple vehicles) are available for \$10 per extra parking space.

Overnight Parking: Overnight parking in your vendor parking area, regardless of the number of extra spaces you may need, is available for a single \$25 fee.

***Please be sure to read the Vendor Rental Agreement for information related to vendor parking and overnight parking.**

If you request overnight parking, you pay the \$25 price only once.

An example: - A food vendor who wishes to rent a single vendor area for both days, but needs 2 vendor parking spaces (1 additional space for a trailer), and needs to park overnight both nights (\$25 one-time fee) would pay \$200+\$200+\$25+\$10 or \$435 for their weekend rental.

Please indicate the number of areas you are renting.
