Vendor Space Needs and Costs

Please Note: Rented vendor areas will generally be 10' x 10'. Each will cost \$30 per day for Friday and Saturday.

➔ Each vendor area rented includes 1 vendor parking space in the vendor parking area.

Additional Vendor Parking Spaces (for large or multiple vehicles) are available for \$10 per extra parking space.

Overnight Parking: Overnight parking in your vendor parking area, regardless of the number of extra spaces you may need, is available for a single \$25 fee.

***Please be sure to read the Vendor Rental Agreement for information related to vendor parking and overnight parking.**

All prices below are for both days or nights where applicable. If you request overnight parking or additional parking spaces, you pay the price only once.

A couple of examples:

- A vendor who wishes to rent a single vendor area for both days, but needs 2 vendor parking spaces (1 additional space for a trailer), and needs to park overnight both nights (\$25 one-time fee) would pay \$30+ \$30+\$25+\$10 or \$95 for their weekend rental.
